WHEREAS, the bid offer of JECKM Construction and Supply in the amount of Three Million One Hundred Twenty-Seven Thousand Five Hundred Seventy-Six Pesos and Twenty-Five Centavos (P3,127,576.25) was within the Approved Budget of the Contract (ABC) and was declared **as Lowest Bid as Read**;

WHEREAS, on October 1, 2025, the BAC and Technical Working Group (TWG) conducted a Bid Evaluation of the bid offer of JECKM Construction and Supply;

WHEREAS, on the same day, October 1, 2025, the TWG through the BAC, submitted their Bid Evaluation Report, stating that the financial offer of JECKM Construction and Supply had discrepancies when the figures were calculated manually. Furthermore, the bid amount exceeded the Approved Budget of the Contract (ABC) by Php9,251.52; hence, they recommended the disqualification of JECKM Construction and Supply. Attached are the Bid Evaluation Report and Corrected Detailed Estimate;

WHEREAS, on October 1, 2025, the BAC through the Secretariat received a Letter Request for Consideration from Innovati Construction & Development Corporation;

WHEREAS, the BAC, in its **DECISION** dated October 1, 2025, granted the bidder's request to reconsider their submitted technical and financial documents and instructed the Secretariat to inform all concerned bidders and observers of the continuation of the opening of bids for Innovati Construction & Development Corporation on October 7, 2025;

WHEREAS, during the bid evaluation of the technical documents of Innovati Construction & Development Corporation, the BAC found out that under the Omnibus Sworn Statement (OSS) requirement, as a corporation, the bidder's OSS should have been accompanied by an Original Duly Notarized Secretary's Certificate, but there was none, and this prompted the BAC to declare Innovati Construction & Development Corporation as **non-complying** for insufficient submission on the requirement under Box G of the Checklist of Technical Component Envelope, pursuant to Section IX of the Bidding Documents;

WHEREAS, under Section 35.1 (c) of the IRR of RA 9184, the BAC shall declare the bidding a failure, when all bids fail to comply with all the bid requirements;

WHEREAS, Section 35.2 of the same Act provides that in order to determine the reason of the failed bidding, the BAC shall conduct a mandatory review and evaluation of the terms, conditions and specifications in the Bidding Documents, including its cost estimates;

WHEREAS, Section 35.3 of the same Act provides that the BAC shall conduct a re-bidding with re-posting as provided for in Section 21.2 of the IRR;
