REGIONAL MEMORANDUM

No. 465, s. 2018

**ONE-DAY CONVERGENCE OF SEAMEO INNOTECH'S
GURO21 COURSE 1 FLEXIBLE LEARNING GRADUATES**

To: **Schools Division Superintendents**
SDO GURO21 Coordinators
GURO21 Graduates
This region

1. The Department of Education Caraga Region has been implementing GURO21 in the past years with 10 batches of graduates duly certified by the SEAMEO INNOTECH of their competence as 21st century teachers.
2. The Department of Education significantly invested in teacher training and other Learning and Development interventions in the public education system. It is important that this training program, such as GURO21, shall be evidence-based and assessed according to its mandate. Only then that we can pursue greater implementation of these programs if its impact toward quality teaching and learning experiences of the teachers are established and identified.
3. There is a need for DepEd Caraga to monitor and track the Flexible Learners in the region. Letting them share their journey after exposure to the GURO21 Course and allowing them to give feedback on whether GURO21 had given them opportunities of becoming an outstanding and responsible teachers in the 21st century.
4. Because of these, a One-Day Convergence with SEAMEO INNOTECH's GURO21 Course 1 Flexible Learning Graduates shall be conducted on **October 26, 2018** at a venue to be announced later. The participants of this convergence are the selected GURO21 graduates from Batches 1 to 6, (Please see attached list of participants).
5. Immediate dissemination of this memorandum is highly desired.
