Regional Director Maria Ines C. Asuncion CESO IV,
DEPED
Caraga Region
Butuan City

Dear Regional Director Asuncion,

Greetings!

We are pleased to extend an invitation to you on behalf of the teachers in the Caraga Region who serve as technical officials. They are invited to participate in the Technical Seminar for Swimming, conducted by our esteemed Palarong Pambansa National Technical Director, Richard Luna. This seminar will take place from October 25 to 27, 2024, at Almont Inland Resort.

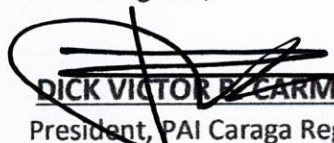

This seminar will provide valuable training applications that will prepare our technical officials for the PAI-Caraga Speedo Swim Series Leg 1, scheduled for October 26-27, 2024. Your support in facilitating this opportunity for our teachers is greatly appreciated, as it will enhance their skills and contribute to the successful execution of the event.

We are pleased to inform you that all expenses will be covered by our sponsors, including the Philippine Sports Commission and Philippine Aquatics Inc. This initiative represents a significant opportunity for professional development and collaboration within our swimming community.

Attached is a list of the invited teachers for your reference.

Thank you for your continued support in promoting aquatic sports and empowering our educators in the Caraga Region. We look forward to your positive response.

Warm regards,

DICK VICTOR B. CARMONA
President, PAI Caraga Region
