IMPLEMENTATION OF THE "WALANG PASOK IN-PERSON CLASS SUSPENSION
MONITOR"

1. The Department of Education (DepEd), through the Disaster Risk Reduction and Management Service (DRRMS), is implementing the **WALANG PASOK In-Person Class Suspension Monitor** to systematically track school-level information on class suspensions, resumption of in-person instruction, learning loss days, and the learning continuity status of affected schools. This initiative is pursuant to **Memorandum Circular No. 126 of the Office of the President**.
2. All schools are directed to accomplish the Monitor whenever in-person classes are officially suspended through the designated online form at <https://bit.ly/walangpasokfeedback>. School heads or their designated authorize personnel shall provide the following information: full name, active DepEd email address, correct BEIS School ID, suspension details, applicable basis and scope, date of resumption, when available, a copy or screenshot of the official suspension notice, and the applicable 4H Learning Continuity Status.
3. Schools shall update existing suspension records, particularly the date of resumption, using the same BEIS School ID and date of suspension to ensure proper matching and avoid duplicate records
4. Regional and Division DRRM Coordinators shall ensure the dissemination of the Monitor and the timely compliance of all concerned schools. The Monitor is intended solely for reporting, data consolidation, and situational tracking and does not supersede existing policies, guidelines, or authorities governing the suspension and resumption of classes and the implementation of learning continuity measures.
5. Immediate and wide dissemination of this memorandum to all concerned is desired.
