REGIONAL MEMORANDUM

No. **0951**, s. 2026

To: Schools Division Superintendents
All Others Concerned

DISSEMINATION OF NUTRITIONAL INFORMATION AND ASSESSMENT OF
MAGNOLIA HEALTH TEA PRODUCTS FOR SCHOOL CANTEENS

1. This Office disseminates the attached product information, nutritional profiles, and relevant certification of the Magnolia Health Tea variants for information, evaluation, and appropriate guidance of the Schools Division Offices (SDOs) in the region.

2. **Objectives:** The dissemination aims to provide the concerned offices and schools with the necessary product and nutritional information for the proper assessment of the Magnolia Health Tea variants in accordance with DepEd Order No. 13, s. 2017 (Policy and Guidelines on Healthy Food and Beverage Choices in Schools and in DepEd Offices), which categorizes food and drink items into Green (Always Available), Yellow (Well-Regulated), and Red (Prohibited/Not Recommended) based on sugar, saturated fat, sodium, and calorie content per serving.

3. **Participants.** The SDOs, through their Division Health and Nutrition Sections, in coordination with School Heads and School Canteen Coordinators, shall assess the specific Magnolia Health Tea variants based on applicable nutritional standards and requirements before allowing the sale of such products within their respective schools.

4. **Assessment Parameters.** In conducting the joint assessment, SDOs and schools shall observe the following:

- a. **Nutritional Content.** Verify the serving size, total sugar content, and micronutrient fortification (e.g., Vitamin C) of each variant to classify whether the product falls under allowed categories (Green or Yellow).
- b. **Product Compliance.** Variants that exceed the prescribed sugar or total calorie thresholds (classified under the Red Category) shall not be permitted for sale or distribution within school premises.
- c. **Non-Exclusivity.** The inclusion of allowable variants shall remain subject to the school canteen's operational capacity, local school preferences, and non-exclusive procurement rules.
- d. **Non-Commercialization.** School personnel and canteen staff shall strictly observe non-commercialization policies and shall not

personally endorse or mandate the purchase of any specific brand product by learners.

5. **Attachments.** The attached product information sheets, nutritional profiles, and relevant certifications are provided solely as reference materials for the conduct of the assessment.
6. Immediate dissemination of strict compliance with this Memorandum is desired.

DR. ALLAN G. FARNAZO, CESO III

Regional Director

Department of Education CARAGA

Dear RD Farnazo:

In accordance to the Department of Education (DepEd) Order No. 13, series of 2017 or the Policies and Guidelines on Healthy Beverage Choices in schools, we are elated to inform your good office that with in-depth testing and evaluation, our products, specifically, MAGNOLIA HEALTH TEA, has been found to belong to the GREEN CATEGORY. This product is well within DepEd's approved nutritional requirements as shown in the matrix below.

NUTRIENTS per 250 ml serving size	APPLE	LEMON	STRAWBERRY	GRAPE	MANGO
1. Saturated Fats	0 g	0 g	0 g	0 g	0 g
2. Transfat	0 g	0 g	0 g	0 g	0 g
3. Sugar	9 g	0 g	9 g	9 g	9 g
4. Sodium	25 mg	27 mg	27 mg	29 mg	29 mg
5. Vitamin C	60 mg	60 mg	60 mg	60 mg	60 mg

These results suggest that Magnolia Beverages are safe and healthy for school children's consumption. We also attached the Nutrition Facts Certification of our Brewing Technology Group for your reference and appreciation.

We would be delighted to pay you a visit and discuss this with you at your most convenient time. You may contact us thru my mobile number 09171435557.

Finally, we wish to express our full support to the Department of Education's goal of providing healthy food choices for our school children by producing products that cater to this cause.

Thank you very much!

Sincerely,

MICHAEL VINCENT D. CAJULAO
