REGIONAL MEMORANDUM

No. 1070, s. 2026

To: Schools Division Superintendents
Chiefs Functional Divisions
School Heads
All Others Concerned

IMPLEMENTATION OF RDC CARAGA RESOLUTION NO. 67, S. 2025 ON THE
REGULATION OF ROAD BARRICADES WITHIN SCHOOL ZONES
ALONG NATIONAL HIGHWAYS

1. In support of the RDC Caraga Resolution No. 67, s. 2025, all Schools Division Offices (SDOs) and public schools are directed to observe the following guidelines regulating the installation and management of temporary road barricades within the adjacent school zones.
2. This aims to promote learner safety while ensuring the unhampered flow of traffic along national highways.
3. Temporary road barricades shall be installed only during school peak hours, specifically: **7:00 a.m. to 8:00 a.m. and 4:00 p.m. to 5:00 p.m.**, or during other authorized school-related activities where traffic control measures are necessary to ensure the safety of learners, school personnel, parents, and other pedestrians.
4. **All temporary road barricades shall be removed immediately after the prescribed peak hours** or upon the completion of the authorized school activity. Under no circumstance shall barricades remain in place beyond the period necessary for safety purposes, so as not to obstruct traffic flow or impede the accessibility of roads to motorists and other road users.
5. The installation of **permanent** or unauthorized road barricades on national highways is **strictly prohibited**. Any traffic management measure requiring the use of barricades shall be coordinated, as necessary, with the concerned Local Government Unit (LGU), Department of Public Works and Highways (DPWH), Philippine National Police (PNP), and other appropriate authorities, consistent with existing laws, rules, regulations, and road safety standards.
6. Schools Division Offices shall ensure the dissemination of this Memorandum to all schools and monitor compliance therewith.
7. For information, guidance, and compliance.

PEDRO TENEBRO ESCOBARTE, JR.
